Hub: Moncks Corner • Greater Charleston, SC

Direct, Exclusive-Use In-State Transport: Avoid terminal backlogs and cross-dock damage. We provide dedicated, door-to-door cargo van transport across South Carolina—your shipment is the *only* cargo on board, moving straight from your dock to destination with zero intermediate transfers.

CORE EXPEDITED SERVICES

• Emergency Hot-Shot & Line-Down Freight
Rapid on-demand dispatch for critical manufacturing machinery, industrial MRO parts, and line-down assembly emergencies.

• Port of Charleston & Maritime Expediting
Urgent ship spares, marine tooling, and terminal deliveries to and from Wando Welch, North Charleston, and Leatherman terminals.

• High-Care Automotive & Glass Transport
Specialized transit for fragile aftermarket auto glass, collision body panels, and precision mechanical assemblies using protective restraints.

• Scheduled Dedicated Branch Routes
Reliable recurring daily or weekly shuttles between suppliers, regional distribution centers, and field facilities across SC.

• Jobsite & Contractor Hot-Shot Replenishment
Direct-to-site delivery for heavy commercial HVAC, electrical supply, plumbing fixtures, and priority contractor tools.

THE DIRECT OWNER-OPERATOR ADVANTAGE

- **Direct Driver Contact:** Deal straight with the driver hauling your load. Zero call center transfers, broker markups, or communication breakdown.
- **Real-Time Visibility & Electronic POD:** Live status updates with time-stamped photo and signature Proof of Delivery sent upon drop-off.
- **Zero Cross-Docking or Pallet Mixing:** Freight is secured once at your dock and remains untouched until final destination arrival.
- **On-Demand 24/7 Availability:** Ready for urgent early-morning dock pickups, evening runs, and emergency weekend hot-shots.

TWIC® PORT & SECURE FACILITY ACCESS

Holding an active federal **Transportation Worker Identification Credential (TWIC®)**, providing certified, unescorted access to high-security facilities:
